

Revolutionizing Business with **AI, Web, and Mobile** Solutions

We are a global custom software development company headquartered in Mohali, India, with over 14 years of industry expertise. With a strong presence across India, the USA, UAE, Australia, and the UK, our team is dedicated to empowering businesses worldwide through innovative technology solutions.

Our focus is on building long-term relationships by exceeding client expectations and ensuring that every project is completed on time, within budget, and to the highest quality standards. We prioritize investing in research and development to stay at the forefront of emerging trends and consistently deliver exceptional value to our clients.

About Us

We specialize in delivering innovative and highly customized software solutions, including mobile and web applications, designed to help businesses succeed in an increasingly digital world. By blending deep industry expertise with the latest technological advancements, we create scalable, efficient, and secure solutions that are precisely tailored to meet the unique needs of each client.

Our commitment to continuous innovation and excellence drives us to push the boundaries of what's possible, ensuring that every project we undertake is built for the future. We take pride in building strong, long-term partnerships that foster growth and bring measurable success to our clients. At ToXSL, we don't just develop digital products –we transform ideas into impactful solutions that empower businesses to achieve their goals and thrive in today's fast-evolving market.

Shiv Charan Panjeta

CEO / Founder

Shiv Charan Panjeta is the Founder and CEO of ToXSL Technologies, bringing over two decades of experience in the IT services industry. He has successfully led enterprise-level digital transformations, business turnarounds, and strategic acquisitions. His vision of delivering world-class technology solutions while creating meaningful employment opportunities continues to drive ToXSL's growth and success.

Committed to ethical, fair, and environmentally responsible business practices, Mr. Shiv focuses on addressing the core IT challenges faced by businesses worldwide. Through his leadership, discipline, and relentless pursuit of excellence, ToXSL Technologies has earned recognition as a trusted global leader in the IT industry.

Our Journey

Our Team

Our greatest strength lies in our people. We are a dynamic and diverse team of passionate professionals, each bringing unique skills and perspectives to the table. United by a shared commitment to excellence, we work together to tackle complex challenges and drive meaningful innovation. With years of deep industry expertise and a strong collaborative spirit, we prioritize building strong partnerships with our clients to deliver customized, state-of-the-art solutions tailored to their specific needs.

We believe in fostering a culture of continuous learning and creativity, where every team member is empowered to grow both personally and professionally. This encourages innovation, enabling us to stay ahead of emerging trends and consistently push the boundaries of what's possible.

Company Infrastructure

We are a leading IT services provider, proudly operating from a state-of-the-art 25,000 sq. ft. office that houses over 550 dedicated professionals. Our expansive office space reflects our commitment to fostering a collaborative and dynamic work environment, where our skilled teams can create and deliver cutting-edge software solutions to businesses worldwide.

Vision

Our vision is to be the trusted partner for businesses, delivering exceptional mobile and web experiences. We create innovative, scalable, and secure digital solutions that drive growth, push technological boundaries, and empower businesses to succeed in the digital era.

Mission

Our mission is to develop innovative, cutting-edge mobile and web applications that transform business operations, enhance customer engagement, and deliver meaningful value. We strive to empower businesses with technology-driven solutions that drive growth, efficiency, and long-term success.
